DISCLOSURE AND MITIGATION:

Disclosure and Mitigation The CAMC Institute for Academic Medicine and West Virginia Orthopaedic Society controls the content and production of this CE activity and attempts to ensure the presentation of balanced, objective information. In accordance with the Standards for Integrity and Independence in Accredited Continuing Education established by the ACCME, faculty, abstract reviewers, paper presenters/authors, planning committee members, staff and any others involved in planning the educational content must disclose any relationship they or their co-authors have with ineligible companies which may be related to their content. The ACCME defines “relevant financial relationships” as financial relationships in any amount occurring within the past 24 months that create a conflict of interest. All presenters, planning committee and faculty have declared no financial interest with an ineligible company for this conference. Faculty relationships with industry, if any, will be made available on-site and disclosure made from the podium to the participants. All presentations are HIPAA compliant.

All speakers verify their talks are in compliance with HIPAA standards. Other disclosures will be made from the podium as needed.

Please remember walk-ins are not encouraged at The Greenbrier. You must be pre-registered with the hotel or the WV Academy of Otolaryngology to attend the meeting.
